Attorney Munteya Bound Over.

Tomas C. Montoya, the attorney whose arrest on his wedding day was nentioned in these columns last Wedseeday, had his preliminary hearing before United States Comm Whiting this morning on the charge of adultery and the evidence was so conciusive that the commissioner bound the attorney over to the next United States grand jury of this district in the sum of \$250. Miss Malinda Navarre, the girl who swore out the warrant against the attorney, was present in the court room with her baby, and her testimony was interesting and very convincing The obvoteian, who attended the cute. was also present, and his evidence was quite strong against the attorney,

SOME UNKNOWN FACTS

Peculiarities of Early Land Grants and Generalogies.

CEBOLIETA LAND GRANT CASE.

"The work of an astronomer," said Attorneys F. W. Clancy and B. S. Rodey to The Citizen representative the other day, when he caught them poring through a mass of evidence of hundreds upon hundreds of pages, and masses of figures that would be wilder a mathema. work?" They appreciate the heavy task tleian, in the Ceboliota land grant case, that has been before Judge Lee for and the committee, and are axious to some three years. "Is easy compared to the work of the lawyer and moster inbancery in the average New Mexico no grant case." And so it would seem the, for on investigation the reporter found that this land grant contains about 200,000 nores of land situated in vestern Bernalillo and Valencia counies; that it was made as recent as the year A. D. 1800 to thirty original grant. ces, the descendants of whose proline progenitors now number more than two rousand souls, so that even though as much as nine original thirtieths are now swood by one man, still the present act ind owners number more than five hundred people. The indexing, cross indexing, notations and memorands that it lations gone into figuring out the owners and their fractions of interests to positively bewildering. The largest tieths, and so on. Mr. Clancy repre Presidential Night," while the wind- not now residing on the grant, Goversent Mr. Richardson and B. S. Rodey represents about one hundred and fifty or more residen s of the grant. Apart given this side of the Mississippi river, for his resident clients, has by stipulapass directly upon his plea of the statute of limitations, under which he Atchison, Topeka & Santa Fe have been claims the whole grant for his resident lients by right of exclusive possession for many years.

Some interesting facts were brought listinguished from others of similar one-half cents per unile, or three cents gra, "El Music el Tuerto," etc., etc. One mun produced a lot of old deeds which afterward be found, until the old house was taken down adobe by adobe in a warch for them when this suit was possession of others, from the former's claims entirely or cut it down lower ing fair, and will at once get out fiyers than they expected. Others found that their genealogies carried them clear out of the grant, and still others unexpentedly found themselves carried into it.
